This is the Daunakamakama family: Beulah, Jasmine, & Pana. They would covet your prayers concerning their resent loss of their unborn child. It has been hard for them, especially since they have been trying for quite awhile.

Beulah works as an auditor of the government, and Pana works as a guard in a juvenile prison. Jasmine is a precious little 2 year old girl, who we love dearly.

Beulah has just recently started helping with Junior Church and Pana has told me that he would like to go through a preaching course, and is willing to do some preaching. Pana has been involved with soul winning every week, and both have been instrumental in many visiting our church.

It has been really nice spending time with our families. We spent some of October with Guy's parents and some of November with Debbie's. It is amazing how so much can change in just a few years. We hardly recognized some of our relatives, and we had a niece and nephew that we saw for the first time. I know they were probably shocked to see the growth in our children. It has been good being back, but hard being away from those that God has called us to minister to. We are glad that they are all in good health and that God is looking after them.

Please pray for Sandra. She is one of our member's sister (Peter Reeve), who was hit by a car while riding her bike. Many of her bones were broken and she has bleeding in her brain. I was told that she is not saved and that things are not looking good for her. Please also pray for Pana and Beulah Daunakamakama. They have been trying to have another child for the past year or so, and just six weeks ago told us that she was with child. We were so excited, until they told us that she had started bleeding. God decided to bring the baby home early. It has been hard on them, and we wish we could be there with them.

We have been so excited visiting several supporting and non-supporting churches this past month. We have been blessed by all of them. It was so nice to see one young lady come forward and receive Christ. We are looking forward to being in many more churches in the next several months and pray that God will use us to reach souls for Christ. Please pray that hearts will be tendered to follow the leading of the Holy Spirit as He calls for servants.

I asked Lewis Howell, who is overseeing Harvest Baptist Church while we are here in America, if he was enjoying serving the Lord? He said that they were having more fun than they have ever had, but are far busier than ever before. He has told me that they are still getting many visitors and that some are returning visitors. Please continual to pray that we will not only see physical growth, but also spiritual growth. I know Lewis is preaching the Gospel, pray that hearts will be open to it.

Just an update concerning the military man who has been attending our church. He has been a light on his base and just this past month brought a young soldier to our church services. Please pray God will open doors to reach these soldiers. It has been hard for Callum, but he is staying strong

We would like to have you pray for us as we travel the next four months. The winters where we are traveling are known for having snow and ice, and sometimes a lot of it.

Thank you for your continual prayers and support.

God Bless! ~ Guy, Debbie, Logan & Erin Bankston
